

B<sup>1</sup> Claim 10 (New). An isolated polypeptide comprised of the amino acid sequence of SEQ ID NO: 12 or the amino acid sequence of SEQ ID NO: 39.

Remarks

In response to the telephone interview of November 13, 2002, applicants have canceled claim 9 and have inserted new claim 10. Applicants respectfully request that the claim be allowed.

Respectfully submitted,

Paul G. Lunn, Esq.

Reg. No: 32,743
